Carson City

September 10, 1887

On call of Chairman the Board of Regents met for consideration additional teachers and other matters. Full Board present and also President L. D. Brown.

President Brown submitted the name of O. T. Corson for the Chair of Natural Sciences.

On motion he was authorized to telegraph and offer the place at a salary of \$2000 per annum

On suggestion of President Brown it was ordered that a shed for wood, and barn for the shelter of horses be erected e
