

UCCSN Board of Regents' Meeting Minutes
Se

The President of the University was directed to report at the next meeting of the Board a list of studies, classes, hours, days and number of students in each class.

Professor R. D. Jackson reported samples received and worked in the Mining Laboratory for August as follows:

Samples on hand July 29	2
Samples received in August	24
Total	26
Samples worked in August	22
On hand Sept 2 not worked	4

Mr. Richard Brown was instructed to put in closet and wash bowl for small children of the Normal School in the Dormitory building.

The personal application of Professor Cowgill to teach certain classes three times a week instead of five times, as the Register calls for, was denied.

It was ordered that all cooking upon any but the basement floor of the Dormitory building be prohibited and the President of the University was requested to see that this order was carried out.

On motion of Governor Colcord, seconded by J. W. Haines, H. S.

Swain was employed as assistant to Professor Phillips in the

Chemical Laboratory at a salary of Fifty Dollars per month from

Sept. 1, 1893 during the absence of M. Stadmueller.
