A letter dated May 8, 1917, from Mr. W. O. Lewis regarding the location of the Agricultural building was read to the Board. Mr. Lewis also laid before the Board some plans for the location of the building. The Regents present were in favor of locating the building between and to the rear of the Library and Chemistry building, but they wished the opinions of Mr. Curler and Abel. The Secretary was instructed to send the following night letter to Mr. Curler at Elko and Mr. Abel at New York City:

At the meeting held today members present O'Brien, Baker and Sullivan approved the idea of locating the Agricultural building behind and midway between the present Library and Chemistry building and would like to know your opinion as to the best location. Answer.

There being no further business, the meeting recessed until the call of the Chairman.
