The Regents' Committee meeting was held April 9, 1926. Present: Chairman Pratt, Mrs. Hood and Judge Talbot, Architect De Longchamps and President Clark.

Architect De Longchamps submitted his plans for the enlargement of the Dining Hall. These were gone over by the Committee and the Architect was instructed to get definite figures on the Refrigeration Plant and that bids should be advertised for the two separate items, the construction work on the Dining Hall and the installation of the Refrigeration Plant.

Judge Talbot moved that his motion of May 29, 1925, as follows:

Judge Talbot moved that Professor Wilson, at his discretion, may permit Mr. J. L. Hash to obtain 15 inches of water through the pipe line of the University Farm during the present season at such times as would not interfere with the use of the Farm

be extended to include the present season and that Mr. Hash and Professor Wilson should be so notified. Vote:

Mrs. Hood	Aye
Mr. Pratt	Aye
Judge Talbot	Aye

President Clark was authorized to get figures on the moving of Hatch Station.

Adjourned.
