On motion of Mr. Williams, Mr. Hunt's letter to Mr. Ross of date May 12, 1939, was unanimously referred to the Executive Committee with power to act.

Dr. Church's proposal in his letter of April 5 that the Regents take up his life insurance policy of \$5000 in connection with the Art Gallery and Gardens, of which Judge Brown is Director for the University, was, on motion of Mr. Williams, by a unanimous aye vote, referred to Judge Brown with request that he give the Regents his advice at their June meeting.

Dean Stewart appeared before the Board in answer to their summons and Chairman Ross, speaking for the Regents, asked him questions concerning the possibility of closer cooperation between the College of Agriculture, the Experiment Station and the Extension Division, stating that the College of Agriculture and not the other two branches of the work in Agriculture is under criticism. At the conclusion of the exchange between Mr. Ross and Dean Stewart, Dean Stewart was á M a

The Regents accompanied the architect Mr. Fred J. De Longchamps to the northwest part of the Campus and there approved the site of the new Gymnasium as between Lincoln Hall and Hatch Station, the west line to be 20 feet east from the sidewalk or 50 feet from the curb.
