

have to come out of the \$684,489 appropriated for basic salaries. The Executive Committee decided that these increases, amounting to about \$12,000 for the biennium, could properly be charged against the appropriation of \$125,000.

The Comptroller reported that after deducting this amount of \$

them in the same manner as the Deans' Committee functions.
It was recommended that it be put on the agenda for the next
regular meeting of the Board. I waiwitma w hi i
