

Remarks Defeat Senate Bill 136 / Assembly Bill 136

[REDACTED]

[REDACTED]

March 19, 2013

Thank you Mr. Chairman. For the record, I am Michael Wixom, Nevada

Vice Chairman Kevin Page. The Governor was also represented as were members

of the following communities:

[REDACTED]

each campus and all of the presidents in the Nevada System of Higher Education.

*Numerous faculty, students and administrative staff throughout the System*

[REDACTED]

In brief, the funding formula proposal is much more understandable than the prior formula. The proposed formula is geared towards productive outcomes. The proposed formula allows the campuses to maintain control of tuition and fees

(which was friends in the legislature from Southern Nevada should not have put

[REDACTED]

The proposed formula finally resolves historical inequities in the funding for CSN

(which was friends in the legislature from Southern Nevada should not have put

with and report to both the Chancellor and the Regents, and the Chancellor reports to the Board.

My experiences over the past twenty five years as an attorney advising both

very large and very small companies and my experience on the Board for the past

eight years (both before and after the Presidents began reporting to the Chancellor)

researchers and administrators of the Nevada System of Higher Education, and to

~~the Board of Regents. In furtherance of these responsibilities, we voted~~

[REDACTED]

overwhelmingly in favor of the proposed funding formula. I urge you in the strongest possible terms to support these changes.

In the future, I hope for the sake of a clear and productive discussion of the
