

4. All funds drawn from the Desert Research Institute Contingency Fund shall be reimbursed. Such reimbursement shall be made from the grant funds received on the project making the request. Otherwise, such reimbursement shall be made from the Desert Research Institute operating funds.

(B/R 6/05)

1. All Desert Research Institute monies shall be deposited with the Treasurer of the University and he or she shall cause appropriate funds to be established for proper accounting.
2. Monies used for Desert Research Institute administration shall be subject to the estimative budget procedure.
3. Each Desert Research Institute project shall be accounted for in conformity with the regulation of the granting agency.
4. The Board of Regents may deviate from established regulations relating to the appointment of, salaries for, and regulations governing professional members of the Desert Research

3. When requested, the NSHE Purchasing Office shall furnish such information as may be possible concerning vendors and prices.
(B/R 6/05)

The Chancellor shall establish procedures concerning the maintenance of the Desert Research Institute's project files.
(B/R 12/04)

All equipment assigned to the Desert Research Institute shall be inventoried and subject to the same controls as all other NSHE equipment.
(B/R 3/65)

1. Indirect cost or overhead monies generated by Desert Research Institute research projects shall be distributed as follows:
 - (a) Ninety-five percent of all such recovery to be paid into a fund for use by DRI for any purpose justifiably chargeable to such indirect cost funds; and
 - (b) The remaining five percent of such indirect cost recovery to be paid into a separate fund for use by principal investigators.
2. Expenditures of monies shall be subject to the same provisions as other Desert Research Institute expenditure of grant funds.
(B/R 6/05)

authorized and encouraged to develop private research contracts. Where the needs of the contract require that the results of the research be held confidential, a clause preserving such confidentiality may form a part of the contract and the preservation of such confidentiality in prior or future contracts is expressly ratified and approved by this Board. All contracts for applied research with private industry shall, at a minimum, provide sufficient revenue to cover the cost to the NSHE.

(B/R 5/75)

11. Faculty members performing compensated outside professional or scholarly service are subject to the Board policy on personal use of System property or resources (Title 4, Chapter 1, Section 25). A faculty member working independently on an outside compensated contract shall not use DRI facilities, equipment or personnel not available to members of the general public unless such use is authorized in advance by the supervisor. Reimbursement of any added direct costs to DRI shall be in accordance with Title 4, Chapter 1, Section 25.
12. A faculty member working independently on his or her own time may obtain patents or copyrights on the results of his or her work, providing DRI resources were not used in the preparation of the inventions or copyrighted work.
13. It is the responsibility of each full-time faculty member to report outside compensated services in a timely manner and to certify the accuracy of the disclosures. Failure to disclose outside compensated services in a timely and accurate manner constitutes a basis for disciplinary action under Title 2, Chapter 6 of the Code. Records are to be kept annually by each supervisor of all approved consulting activities.
14. The Desert Research Institute shall publish an annual report regarding compensated outside professional or scholarly service completed by its full-time faculty, as aggregate data, and approved by the institution in accordance with the provisions of this section. This report will verify that all potential conflicts of interest have been reviewed and approved in accordance with the provisions of this section. A summary of these reports will be sent to the Board of Regents annually.

(B/R 6/14)

1. At least every three years, the Desert Research Institute will recommend a list of three comparison peer institutions and no more than three aspirational institutions. Peer institutions will serve as the basis of comparison for outcomes in areas such as grants awarded, research expenditures, and other relevant metrics, particularly those associated with the NSHE strategic plan. Aspirational institutions will represent the general
