7. VENDOR PRESENTATION

INFORMATION ONLY

HCM Strategists will present an overview of their approved Scope of Work. The overview will include how the vendor intends to select and evaluate models for higher education funding used in states and systems similar to Nevada and NSHE; determine whether other funding allocation models would be appropriate for NSHE; and review and make recommendations regarding methods for the use and reporting of revenue and expenses outside of a state-supported operating budget. In addition, HCM Strategists will present an overview of _____, its signature publication based on a comprehensive typology of student focused funding models, including a state classification of funding systems and a review of how state higher education agencies and individual institutions are working to align their strategic initiatives with state goals and workforce needs. _____
