

## INSTITUTIONAL RESPONSES TO COMMITTEE QUESTIONS

During the February 12, 2024, meeting, the following information was requested by the Committee:

- Specific data from the University of Nevada, Las Vegas regarding funding disparity related to STEM; and
- “Wolf Pack Rising, ‘23-’27 Strategic Plan” for the University of Nevada, Reno.

Information related to the UNLV request is attached and the UNLV strategic plan can be accessed [here](#). Please note that the Committee requested the strategic plan for UNR only as it was central to the institution’s presentation on its mission and funding formula recommendations. The strategic plans for other institutions will be provided separately upon request.
